

SIONYX

DIGITAL NIGHT VISION

AURORA-SPORT

FULL COLOR NIGHT VISION

The SIONYX Aurora Sport is our most affordable color digital night vision camera in the lineup. The Sport was developed for coastal environments and is most popular with recreational boaters. Add a new level of safety when navigating at night with our proprietary color night vision technology. Use the camera's internal wireless connection to stream night vision to your favorite Apple or Android Tablet (or phone) at your helm station. Whether you're heading out early in the morning to get first catch, or navigating back home late at night, add the Aurora Sport and gain confidence when boating in the dark.
